**Subject:** Update on Root Cause Analysis Final Report/NEW Water [GK-Active.FID2939509]

Dear Louise, James, Kevin and Phil:

A brief update

1. During our last update call, NEW Water projected that it would file the Root Cause Analysis Final Report by today. The purpose of this e-mail is to advise you that the revised timeline for filing the Report is next week.
2. As we mentioned during the last call, NEW Water is pleased to report that the GAC is up and running with the fluidized bed incinerator.

Please call me if you have any questions.

Best regards,

Art
